Brand Overview

altro represents a forward-thinking approach to innovation. The name "altro" derives from Italian, meaning "other" or "another" — embodying the brand's commitment to offering a fresh perspective and an alternative way forward.

The brand identity is built on principles of clarity, modernity, and approachability. Every element of the visual system — from the logo mark to the color palette — is designed to communicate trust, professionalism, and creative confidence.

This brand book serves as the definitive guide for maintaining visual consistency across all touchpoints. Consistent application of these guidelines ensures that altro's identity remains cohesive, recognizable, and impactful.

Brand Values

Innovation

Pushing boundaries and exploring new possibilities.

Clarity

Clear communication through refined design.

Trust

Building confidence through consistent visual identity.

Logo

The altro logo consists of two elements: the icon mark and the wordmark. The icon features a dynamic, angled form with a dot, suggesting motion and forward progress. Together they create a distinctive and memorable visual identity.

Logo Variations

The logo is available in horizontal and stacked (square) formats. Use the version best suited to the layout and available space.

Horizontal — Light BG

Horizontal — Dark BG

Stacked — Light BG

Stacked — Dark BG

Transparent Background Versions

Use these versions when placing the logo over images or colored backgrounds.

Horizontal — Transparent

Stacked — Transparent

Clear Space & Minimum Size

Clear Space

To ensure legibility and impact, maintain a minimum clear space around the logo equal to the height of the dot in the icon mark (referred to as "X"). No other graphic elements, text, or imagery should intrude into this space.

Minimum Size

To maintain legibility, the logo should never be reproduced smaller than the minimum sizes shown below.

Horizontal: min 80px / 28mm

Stacked: min 55px / 19mm

Logo Misuse

To protect the integrity of the brand, avoid the following modifications.

Do not stretch or distort

Do not rotate the logo

Do not change logo colors

Do not add effects or shadows

Do not place on busy backgrounds

Do not rearrange elements
